

PPM Prepaid Maintenance

SCS Auto – Your Complete Administration Solution

What Our Clients Say

"Within a few months of implementing SCS Auto Prepaid Maintenance, our dealers were processing over 85% of their claims online. Because of the controls SCS Auto gives us, not only is the claim process quick and efficient for the dealer, but we are able to approve and pay claims automatically. SCS Auto has dramatically decreased our administrative costs of supporting this product."

Bruce Stricklin
VP GSFSGroup
