We provide the tools.  
We do the work.  
You control the money.

Resource Agent Group creates solutions to improve the bottom line for both agents and dealers. Our First Extended dealer obligor program offers a simple process for establishing your own service and maintenance program. We provide all the required materials, documents and contractual liability insurance that enable agents and their dealers to sell value-added warranty, maintenance, insurance, and pre-certified programs customers want. Our participation and reinsurance options coupled with training and support help your dealers achieve their goals. Learn what more than 50 years of industry leadership can do.
